Edgewood Baptist Church"*

Edgewood Baptist Church, 717 South Main Street, Nicholasville, KY 40356

Samuel L. Schmidt
Pastor

What an exciting few weeks it has been. The energy and anticipation is through the roof! We recently announced on Sunday morning about one of the major needs facing our congregation; our parking lot. Our parking lot is in bad shape. It is the first impression visitors have of our congregation. We have reached out to numerous contractors, all of which tell us sealing it is just a waste of money at this point. The longer we wait, the more this will cost. I want to encourage us to work together and meet this great need. There is no doubt we can do this! Part of my role as pastor is to bring out your full potential. Edgewood has TREMENDOUS potential!

We are raising money for the parking lot the first three weeks of October. After we have done this, we are going to step back and evaluate how much more we need to complete this arduous task. We will prayerfully consider the next steps God has for us. We will bathe every step in prayer!

We WILL meet this need together! I am committed to seeing this through, and to the success and well-being of our wonderful congregation. God has equipped, empowered, and is currently encouraging us to do this great task. Once it is done, we will celebrate the milestone! I am so proud of Edgewood and love serving as pastor. God is truly using our flock in tremendous ways! What part will you play in this great mission?

Do you remember the poem you were required to memorize in elementary school, *"The Frost is on the Pumpkin, and the Fodder is in the Shock?"* Well it's that time of year again, short year already but that just moves us closer to our eternal beautiful existence in His Presence.

I know we are all prayerfully asking God to give us the sacrificial amount of the pledge to our parking lot. This is such a worthy goal for our church. God is doing some wonderful things in our midst and I am excited to be part of the movement and I know you are as well, because you have told me so.

Let us continue to hold up our Christian families and friends in Florida, Texas and the Caribbean. What trying times they are enduring. Pray for and uplift each other as we live in this world here in Central Kentucky. Have a Jesus filled month.

Love,
Bro. Bob

Robby Irgang
Youth Interim

I cannot believe it is October. September has done nothing but fly by. During this time, we have seen a lot of changes and a lot of encouraging things. We have seen youth attendance rise and fall but the growth by the individuals that are coming is resounding. If you look at any number of youth you can see they have a sense of ownership about Edgewood. Not in a bad way, but in how they care about the building, its members, and its future. We are ordering TYG shirts, but the students will have to earn them by stating the gospel message on the back of the shirt. If you see them with these on, ask them to tell you about the gospel and what those symbols mean.

This month we will have a bon fire out at the Casey's farm. A lot of exciting things are happening in the youth room, and we want that kind of enthusiasm and pride to spread like wildfire. Encourage these young believers, and let them know you believe in them. It will go a long way for their morale.

This picture is of our talk about how the only way to fully get a stain (sin) out is by getting a new shirt (Jesus redemption). One of my favorites to date.

The Roman Road to Salvation in Jesus Christ.

God loves you and wants you to experience peace and life with Him.

"We have peace with God through our Lord Jesus Christ." - Romans 5:1

We do not have this peace and life with God because we are separated from Him by our sin.

"All have sinned and fall short of the glory of God." - Romans 3:23

"For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord." - Romans 6:23

Jesus Christ died on the cross and rose from the dead paying the penalty for our sin and bridging the gap between God and people. *"But God demonstrates His own love for us in this, while we were still sinners, Christ died for us."* - Romans 5:8

Each person must choose to trust Jesus Christ as Lord and Savior and receive Him by inviting Him into his or her life.

"If you confess with your mouth, 'Jesus is Lord,' and believe in your heart that God raised Him from the dead, you will be saved. For it is with your heart that you believe and are justified, and it is with your mouth that you confess and are saved." - Romans 10:9,10

"Everyone who calls on the name of the Lord will be saved." - Romans 10:13

To receive Jesus Christ as your Lord and Savior:

Admit your need to Him that you are a sinner.

Be willing to repent or turn away from your sin.

Believe that Jesus died for you on the cross and rose from the dead so that you can have a new life in Him.

Through prayer, (talking to Him,) receive Jesus as your Lord and Savior by inviting Him to come into your life and take control through the Holy Spirit.

Joy Link

"God's grace is like the river of the water of life that flows from the throne of God and the Lamb" (Rev. 22: 1-3)

It has the power to reverse the damage done by sins curse.

QUIPS W/BOB BLANKENSHIP

Thank you for your prayers and encouragement while I had my annual fall sinus crud, and wonderful appreciation to Bro. Samuel for filling in for me at the September Bible study and Luncheon.

Remember to pray diligently for our Parking lot pledge, and allow God to lead us in this endeavor.

We are excited to be going to the Glory Conference at Ridgecrest, NC, October 17th-19th for a great program. We have 12 people attending this year.

Our October Bible Study and luncheon will be the 12th, we have 4 chapters left till the end of Joshua, so be thinking what book you would like for us to study after Joshua. By the way, Bro. Samuel was impressed with the beautiful lunch after the study. Of course, it is always great. Have a Jesus filled month.

Love,
Bro. Bob

Special Guest: "MADE NEW"

Don't underestimate this young sibling trio! Dynamic blends of three-part harmony with modern southern bluegrass instruments lends a contemporary twist to classic southern gospel must. It's evident that these young musicians enjoy nothing more than utilizing their God-given gifts of songwriting, singing, and playing to share the gospel message of redeeming love, hope and joy.
